Foreword

The most recent version of the User's Manual is available at the Court's website: www.cit.uscourts.gov

In the User's Manual, we did not attempt to document the steps for filing all case-related events; however, we document those filing events that occur most frequently with the Court. The case used throughout the manual is a fictitious case established for illustration purposes only.

Please refer to Section 3(a) of Administrative Order No. 02-01 for a list of the pleadings and papers exempt from the electronic filing requirement.

If you choose to use abbreviations when filing docket events on the CM/ECF System, you must use the *Frequently Used Abbreviations List for CM/ECF Data Entry* found in the Appendix on pages 35-38. The abbreviations apply only to entries that will appear in the docket text, with the exception of the following abbreviations: *Co.*, *Corp.*, *Inc.*, and *Ltd.*, which also would appear at the end of a party's name in the party record field.

Electronic Case Files (ECF) User's Manual

I. Getting Started

A. Introduction

This manual provides instructions on how to use the Electronic Case Files (ECF) portion of the Case Management/Electronic Case Files (CM/ECF) system to file documents with the Court and to view and retrieve docket sheets and documents for all cases assigned to the System. It assumes a working knowledge of Netscape and Adobe Acrobat. (**Note:** For questions regarding Netscape or Adobe Acrobat, please refer to their instruction manuals.)

There are four basic steps for filing documents in ECF:

1. Convert documents to PDF (portable document format) format (Refer to Section III, pages 5-7);
2. Log onto the CM/ECF system and select from the menu options the type of document that you are filing (Refer to Section II, page 4 for menu options.);
3. Upload the PDF document to the CM/ECF system (Refer to Section III, pages 7-11); and
4. Verify system filing.

B. Help Desk

If you need assistance, telephone the Court's **Help Desk at 1-866-450-1859** between the hours of 8:30 A.M. and 5:00 P.M., Eastern time, Monday through Friday to speak to a Court staff member. From 5:00 - 8:00 p.m. Eastern time Monday through Friday, your call either will be forwarded to a staff member or it will be forwarded to voice mail. Please leave your name, telephone number and brief message and your call will be answered before 8:00 p.m. that same evening. After 8:00 p.m., your call will go to voice mail and will be answered the next business day.

C. Capabilities of the System

The System allows registered participants with Internet access and Netscape software to perform the following functions:

- Access the Court's web page;
- Download the most recent version of the User's Manual;

I. Getting Started (continued)

C. Capabilities of the System (continued)

The CM/ECF system provides users of the System with the following capabilities:

- Using the Training Database to practice e-filing before accessing the official Live Database;
- Filing, electronically, motions and documents for cases in the Live Database;
- Viewing official docket sheets and documents associated with cases; and
- Viewing various reports (e.g., Calendar Events, Cases Filed, Docket Sheets)

D. Requirements

Hardware and Software Requirements

The hardware and software needed to electronically file, view and retrieve case documents include the following.

- A personal computer running a standard platform such as Windows or Macintosh;
- A PDF-compatible word processor like Macintosh or Windows-based versions of WordPerfect or Word;
- Internet service;
- Netscape Communicator version 4.6x or 4.7x or Netscape 7.0 or Mozilla 1.0 or higher. All are free downloads. **Current versions of Internet Explorer are not supported, nor recommended**; however you can use IE 6.x at your own risk (results may vary);
- Software to convert documents from word processor format to portable document format (PDF). Adobe Acrobat is recommended. Adobe Acrobat version 3.x, 4.x and 5.0 adequately meet the CM/ECF filing requirements;
- Adobe Reader, which is available for free, is needed for viewing PDF documents; and
- A scanner may be necessary to create electronic images of documents that are not in your word processing system.

I. Getting Started (continued)

E. How to Register to Use the System

Every attorney, who wishes to file documents electronically, is required to complete a Registration Form. Registration forms may be accessed from the Court's website at <http://www.cit.uscourts.gov>. Also, a copy of the registration form (CM/ECF Form No. 1) may be found in the Appendix on pages 12-13 in the document *CM/ECF Registration (Attorney)* and on pages 19-20 of the Appendix in the document *CM/ECF Registration (Non-Attorney)*. In addition to including individual e-mail addresses on the registration forms, filers are encouraged to include a general e-mail address for their firm/agency to ensure notification of all case activity.

All registration forms must be mailed to the Office of the Clerk, Admissions Office - Room 299, One Federal Plaza, New York, NY 10278-0001. Within two weeks upon receipt of a completed registration form, the Clerk's Office will send users a login and password. After receiving a login and password, attorneys should file an entry of appearance in each of their cases, if they wish to receive e-mail notification of case-related activities.

Please Note: Non-attorneys who register to use the CM/ECF system will be given Query-only access. These users will not have the ability to file documents electronically.

If users lose their Password, or have their Password compromised, they are to file with the Court the *Notice of Loss/Compromise of CM/ECF User Password* (CM/ECF Form No. 9) as found in the Appendix on page 44 in the document *Loss or Compromise of CM/ECF Password*.

If users have a change in the information that appears on file with the Clerk's Office, then they are required to file with the Court the *Notice of Change in CM/ECF User Information* (CM/ECF Form No. 8) as found in the Appendix on page 25 in the document *Change in CM/ECF User Information for Attorneys* and on page 29 of the Appendix in the document *Change in CM/ECF User Information for Non-Attorneys*.

F. Practicing in the Training Database

Please practice filing documents in the Training Database before attempting to file a document in the Live Database.

III. Working with Adobe Acrobat and Portable Document Format (PDF) and Guidelines to Scan Documents

Adobe Reader (formerly Acrobat Reader) is a free application used to read, print and display documents in Portable Document Format (PDF). Adobe Acrobat is available at www.adobe.com. Please refer to Adobe's documentation and web site for help with Acrobat Reader. In order to create PDF documents, you will need Adobe Acrobat (not to be confused with Adobe Reader) or similar software, which must be purchased separately if you are using a word processor other than Corel WordPerfect 9 or higher.

Only PDF documents may be filed with the Court using the Court's Electronic Case Files system. Therefore, before you login to begin your filing session, please make sure you have converted your documents to PDF format. We do not recommend converting documents while attempting to file them. If you interrupt your filing session to convert a document to PDF format, you risk losing your filing data. To guarantee accurate filing, please view the PDF document before filing it to ensure that it appears in its entirety and in the proper format. Verifying the document up-front will prevent you from filing incorrect documents. You may not edit a document once it is converted to PDF format. If you notice an error in the document, you will need to correct the error in the software application in which the document was created and then convert the document into PDF format. Also, please be aware that the CM/ECF system will not accept PDF files that have the password security feature activated.

Although it is the Court's preference that PDF documents uploaded to the CM/ECF system be converted directly from the original word processing document, it is not always practical or feasible. Therefore, in those instances when filers scan documents to upload to the system, please follow these guidelines:

- scan the documents at no more than 300 dpi(dots per inch); and
- make the PDF document searchable by using the "paper capture" feature of Adobe Acrobat or its equivalent process in any alternative software you use.

A. How To Convert Documents to PDF Format

To file documents with the Court, you must first scan or convert the document from its word processing format to PDF format.

The conversion process is relatively simple and can be accomplished using either WordPerfect or Microsoft Word. WordPerfect versions older than 9 and all versions of Microsoft Office require third-party PDF creation software. The following instructions assume you are either using WordPerfect 9 or higher with built-in PDF creation or an older version of WordPerfect (or Microsoft Word) with Adobe Acrobat version 5 or 6. Your

computer's software and configuration may be different. If you experience problems or require additional help with this process, you are urged to contact your organization's technical support staff or the vendor of your software.

For WordPerfect Version 6.1, 7 or 8

- Open the document you wish to convert in WordPerfect;
- Select **Print** and in the print dialog box select the option to change the selected printer. A drop-down menu with a list of printer choices is displayed.
- Select **Acrobat Distiller**.
- Click on **Print**. The file will not actually print out - it will give you the option to save the file in PDF format.
- Name the file, giving it the extension .PDF.
- Accept the option, The file is converted to a PDF document.

For WordPerfect Version 9 or higher

- Open the document.
- Select **File** and **Publish to PDF**.
- Save the file as a PDF file, giving it a .PDF extension. The file is now in Adobe PDF format under the newly designated name, and the original document remains in its original form under the original name.

For Microsoft Word 95 or later

- Open the document.
- Select **Acrobat** from the menu (it is located to the right of **Help**) and **Create Adobe PDF**. If you do not have this menu, you can also follow the instructions for older versions of WordPerfect, above.

For Microsoft Word 95 or later (continued)

- Save the file as a PDF file, giving it a .PDF extension. The file is now in Adobe PDF format under the newly designated name, and the original document remains in its original form under the original name.

B. How to View a PDF File

- Start the Adobe Acrobat program;
- Go to the **File** menu and choose **Open**;
- Click on the location and file name of the document to view;
- Acrobat loads the file and displays it on the screen; and
- Use the scroll bar and/or the arrows to move through the document.

C. How to Attach a PDF Document

All files must be in PDF format with a .PDF extension in order for you to file your case-related documents. **Please Note: The system will not let you advance to the next screen unless you have selected a document to file.** If you attempt to upload a non-PDF file, or to make a standard docket entry, you will receive an error message.

Note: Filing Motions as One Document or Multiple Documents

When filing a motion as a docket entry, the Court recommends filing as **one document** the motion, proposed order, memorandum and certificate of service. However, the Court will accept it if a filer files the motion as the main document with the supporting documents (proposed order, memorandum and certificate of service) as attachments. Although, it is the Court's preference for the documents to be filed as **one document**.

IV. Basic User Information for Working with the ECF System

A. Commonly Used Keys and Prompts in the ECF System

[Back]	This button on the Toolbar allows you to return to a previous screen to correct entries.
[Clear]	This button on the screen clears all characters entered in a particular box and sometimes on the screen.
[Ctrl]	This key on the keyboard allows you to select multiple entries within a given category by pressing and holding down on the [Ctrl] key when selecting entries.
[Tab]	This button on the keyboard allows you to move from one field to another within a screen.

B. Add/Create a Party in the CM/ECF System

When the party for whom you are filing does not appear in the CM/ECF system, you need to add or create a party. Type in the first three characters of the party's business name (do not worry about capitalization) using a wildcard (*) before and after the three characters, for example, *IBM*. The system will generate all the entries with the characters you typed. If the party's name does not appear among the list of entries, then add the party's information using the official style and abbreviation standards. (See pages 35 - 38 of the Appendix for a copy of the standards.)

Tip: Do not type in the complete party/business name since the system may already contain the party/business name but with a slight variation, for example, I.B.M. Corporation may be entered into the system as IBM Corp. If you typed in the full name I.B.M. Corporation, the system may respond that *No Parties were Found* since the typed entry did not match the system's entry.

C. Attorney Associations in CM/ECF

When prompted in CM/ECF to check the box to create *attorney associations*, it is recommended that you check the box. Checking the box will create a link in the system between the attorney and the case. Also, it will add the attorney to the ECF notification list, that is, the system generated list that notifies all parties associated with a case of the

IV. Basic User Information for Working with the ECF System (continued)

C. Attorney Associations in CM/ECF (continued)

events filed on the case. Failure to check this box may result in attorneys not receiving proper notification of all case-related events.

D. Bulky Document Standard (BDS)

The Bulky Document Standard (BDS) (see Appendix pages 6-9 for a copy of the guidelines) for the electronic filing of documents on the Court's CM/ECF system limits the size of documents filed electronically. **Users may not file on the Court's CM/ECF system any document that is larger than 2MB.**

Exceptions to the BDS include the following documents: Summons, Complaint, Answer to Complaint, and Briefs (opening, response, reply) in the following: Motion for Summary Judgment, Motion for Judgment on Pleadings, Motion for Judgment on the Agency Record (1581(c)), Motion for Judgment on the Agency Record (all other Jurisdictions); and Motion to Dismiss.

Documents greater than 2MB shall be logically divided with a description of the divisions. No division of a document shall exceed 2MB.

Example: Assume a motion is filed and exceeds the 2MB limit. Divide the motion into logical divisions, making sure that each division is less than 2MB. Name each division, for example, Motion Parts A-C and Motion Parts D-E. Enter the first division as the main document and enter the remaining divisions as attachments to the main document.

Exhibits that exceed 2MB must be filed in the same manner as documents.

Example: Assume a motion is filed with three exhibits. Treat the exhibits as individual attachments and add each one separately. Name each exhibit, for example, Exhibit 1 (with a brief description), Exhibit 2 (with brief description) and Exhibit 3 (with a brief description). If the individual exhibit exceeds 2MB, then divide each Exhibit and label it accordingly, for example Exhibit 1 Parts A-C and Exhibit 1 Parts D-E.

Note: See pages 7-11 for directions on how to add attachments.

IV. Basic User Information for Working with the ECF System (continued)

E. Confidential Filings

Papers that contain confidential, business proprietary or classified information must be filed manually via the *Notice of Manual Filing* (CM/ECF Form No. 10) found in the Appendix on page 8. Public version of the filing should be filed electronically. All confidential filings must be filed in accordance with the Rules of the Court (Rule 81(h)).

F. Correcting Mistakes

If you have to correct a mistake while entering information into the system, use the [Back] button to return to a previous screen to correct the entry. Correct the information on the screen, hit [Next] in order for the change to take effect and continue on to the next screen. **Please note that using the [Forward] key to advance to the screen where you left off after making the correction, will not save the edited information.** You must hit [Next] on the screen where the information was changed before proceeding to subsequent screens. Also, once you return to a previous screen to correct a mistake, all information entered after the mistake is lost. Therefore, you will need to re-enter the information. It is highly recommended that mistakes are corrected once they are discovered rather than submitting incorrect docket entries and/or documents. If you do submit an incorrect document and/or docket entry, you will need to refer to Administrative Order No. 02-01 for the necessary steps to correct the entries.

G. Documents Filed in Error

A document incorrectly filed in a case may be the result of posting the wrong PDF file to a docket entry, selecting the wrong document type from the menu, or simply entering the wrong case number and not catching the error before the transaction is completed.

Refer to Section 3(e) of Administrative Order No. 02-01 for the procedures to correct filings.

H. Exhibits - Physical

Any exhibit that cannot be converted to PDF format must be filed manually with the Court using the *Notice of Manual Filing* (CM/ECF Form No. 10) found in the Appendix on page 8.

IV. Basic User Information for Working with the ECF System (continued)

I. Joint Filings

The option for joint filings will appear with every motion regardless of relevance. To establish a joint filing, complete the following steps.

- A. Check joint filing on the first screen where the option appears;
- B. Highlight all additional attorneys who have signed the filing;
- C. Highlight all parties represented by the filing; and
- D. **DO NOT** create any new attorney associations on this screen. Checking this box will create a permanent change in attorney/party association in the case. Only check the box to add yourself as an attorney to represent your client.

Important Note: A consent motion is not a joint filing. Therefore, please do not select this option if you are filing a consent motion.

J. Motions

Motions to Consolidate - Filers must make a docket entry for all cases involved.

Motions to Designate Test Case and For Suspension Thereunder - Filers must docket the entry for test case designation on proposed test case number, and docket the entry for suspension on all cases to be suspended thereunder.

Motions with Schedules - Filers must docket the entry for all cases involved. For the lead case, type in the free text box “with schedule.” For those cases on the schedule, type in the free text box “with (*lead court number*).”

K. Notice of Electronic Filing Screen

Upon completion of a docket event, the last screen the system displays is the notice of electronic filing screen (see **Figure IV - 1 on the following page.**) This screen is the receipt of the filing. To print out the receipt, click on **Print** on the Netscape Toolbar. To save the receipt on the hard drive, select **File** from the Netscape Toolbar and select **Save Frame As** to identify the drive where the receipt will be saved. Rename the file in the *File name* box.

IV. Basic User Information for Working with the ECF System (continued)

K. Notice of Electronic Filing Screen (continued)

- While in the notice of electronic filing screen, click on the *Document Number*, for example, 7, to access the PDF document associated with the filing; (**Note:** If you filed both documents and attachments the system gives you access to both. Click on the numbers under the column entitled *Part No.* to view the attachments or documents.)
- While in the notice of electronic filing screen, click on the *Case Number*, for example, *1:02-cv-12346*, to access the docket sheet. (**Note:** The docket sheet entry screen may appear first. If it does, then click on **[Run Report]** to access the actual docket sheet.)

The screenshot shows a web interface for the U.S. Court of International Trade TRAINING Database. It displays a 'Notice of Electronic Filing' for case 1:02-cv-12346. The filing was received from the city of Baltimore on 9/5/2003 at 3:40 PM and filed on 9/5/2003. The case name is 'Baltimore Steel Corporation et al v. United States'. The case number is '1:02-cv-12346', the filer is 'United States', and the document number is '7'. The docket text indicates it is an answer to a complaint. Below this, it lists associated documents, including an original file named '02-12346.pdf' and an electronic document stamp with a unique ID and date.

Figure IV - 1

- If attorneys filed a *Notice of Consent to Electronic Service* (see page 47 of the Appendix for a copy of the form), then the *Notice of Electronic Filing* sent to the attorney via e-mail of records in the action shall constitute service on that attorney (see **Figure IV - 2**). For all others, all papers required to be served shall be served in non-electronic form in accordance with Rule 5 of the Rules of the Court and receipt of a *Notice of Electronic Filing* shall not constitute service (see Section 6 of Administrative Order No. 02-01).

This screenshot shows the 'Notice will be electronically mailed to:' section. It lists two recipients: Kevin M. Dempsey at kdempsey@dewey.com and Lynn Marie Schmitt at the U.S. International Trade Commission, 500 E Street, S.W., Washington, DC 20436. The notice also mentions 'CITatt1' and 'CIT Any Training Acct #1'.

L. Notice of Manual Filing

The form *Notice of Manual Filing* (see CM/ECF Form No. 10 found on page 8 of the Appendix) is to be used when documents cannot be filed electronically. Circumstances under which the *Notice of Manual Filing* should be used include, but are not limited to, the following:

- (1) the electronic file size of the document exceeds 2.0 megabytes;
- (2) the document cannot be converted to an electronic format;

M. Uniformity on Filings

For the purpose of uniformity, we ask that all motions be filed with a proposed order preceding the motions (unless otherwise noted in individual Chambers' procedure policy).

Please make separate entries for all forms, and enter the forms into the system in numerical order. For example, make separate entries for a *Notice of Appearance* (Form 11), *Business Proprietary Information Certification* (Form 17) and *Notification of Termination of Access to BPI* (Form 18).

N. Technical Difficulty with Court's CM/ECF System

When a document cannot be filed electronically because of difficulties with the Court's end of the CM/ECF system and not a technical failure with the filer's equipment or Internet connection to the system, the filer should print (if possible) a copy of the error message received and complete a *Declaration that Party was Unable to File in a Timely Manner Due to Technical Difficulties* (CM/ECF Form No. 11 found in the Appendix on page 33).

If a filer misses a filing deadline as a result of the Court's technical difficulties, the filer shall contact the CM/ECF Help Desk at 1-866-450-1859 to inform the Clerk's

N. Technical Difficulty with Court's CM/ECF System (continued)

Office of the difficulty. Additionally, the party shall submit the untimely filed document in paper form, accompanied by a declaration, CM/ECF Form No. 11. The document and declaration shall be filed by hand or overnight courier no later than 12:00 noon (Eastern Time) of the first day on which the Court is open for business following the original filing deadline.

O. Z Motion and Z Document

In order to help filers meet a deadline when they cannot find the appropriate system entry for the document they are attempting to file, the Court has created what is known as the "Z" motion and "Z" document. These entries appear as the last entries in their respective categories.

The following three criteria must be met before a filer may use the "Z" motion or "Z" document entries.

1. The filer cannot locate a suitable docket entry description in the CM/ECF system;
and
2. The filing is due the day on which the filing is attempted;
and
3. It is after the Court's regular business hours (5:00 p.m. Eastern Time). If it is during business hours of the Clerk's Office, 8:30 a.m. to 5:00 p.m. Eastern Time, then call the CM/ECF Help Desk at 1-866-450-1859 for assistance.

If a filer uses the "Z" motion or "Z" document, then he/she must fully describe the document being filed and attach a copy of the document to the entry in order to preserve the filing date. Furthermore, when a filer uses a "Z" motion or "Z" document, the filer is to call the CM/ECF Help Desk at 1-866-450-1859 by 12:00 noon (Eastern Time) of the first day on which the Court is open for business after the "Z" motion and/or "Z" document was filed. The filer will be asked to provide the court number, the electronic filing date and the document number of the "Z" entry. The Clerk's Office will correct the entry. No "Z" motion or "Z" document shall be left as the permanent entry in the CM/ECF system.

Filers should never use a "Z" entry when there is a suitable system entry for the document they are filing. Excessive and/or inappropriate use of the "Z" entry is discouraged and the Clerk's Office will address this matter with the individual filer.

V. How To Access the ECF System

A. Distinction Between the Training and Live Databases

The CM/ECF system consists of two databases. One database is the Training Database and the other is the Live Database.

The Training Database helps users learn to navigate the system. The Training Database may be accessed via the Court's website at www.cit.uscourts.gov. No amount of experimentation can alter or harm the data in the Training Database. It is recommended that users practice filing documents in the Training Database before attempting to file documents in the Live Database. Only attorneys will receive a login and password for the Training Database. Public users will not have access to it.

The Live Database enables users to electronically file documents with the Court. Once a document is filed with the Court, all parties associated with the case will be able to view it. More importantly, once a document is electronically filed with the Court, it cannot be corrected or changed. Therefore, when filing in the Live Database, please be sure that the actions taken are actions intended for the Court to act upon. The Live Database may be accessed via the Court's website at www.cit.uscourts.gov.

B. How to Access the ECF Training Database

- Start *Netscape Communicator*
- Type in the following URL internet address: <http://www.cit.uscourts.gov>
- Select *Training Database* under the Case Management/Electronic Case Files (CM/ECF) heading. The security information screen appears.
- Click on [*Continue*] when the security information screen displays.
- Click on *Training Database - Document Filing System*. The ECF Login screen displays.

V. How To Access the ECF System (continued)

B. How to Access the ECF Training Database (continued)

- Enter your login and password for the Training Database in the appropriate data entry fields. **Please Note:** Logins and passwords are case sensitive and the login and password for the Training Database is different than that for the Live Databases. If you forgot your password, please complete the form *Notice of Loss/Compromise of CM/ECF User Information* (CM/ECF Form No. 9) as found in the Appendix on page 44 in the document *Loss or Compromise of CM/ECF Password*.
- Click on [*Login*] to continue. The CM/ECF screen with the available CM/ECF system options appears on the screen. (**Note:** If you incorrectly entered data, then click on the [*Clear*] button to clear the information from the screen.)
- Congratulations! You have accessed the Court's Training Database. Explore it to become familiar with its features. You cannot hurt anything here. **Note:** Although the Training Database is a practice database, **please do not file anything personal or confidential on it since anyone with a Training Database login and password will have access to it.**

C. How to Access the ECF Live Database

- Start *Netscape Communicator*

C. How to Access the ECF Live Database (continued)

- Enter your login and password for the Live Database in the appropriate data entry fields. **Please Note:** Logins and passwords are case sensitive and the login and password for the Live Database is different than that for the Training Database. If you forgot your password, please complete the form *Notice of Loss/Compromise of CM/ECF User Information* (CM/ECF Form No. 9) as found in the Appendix on page 44 of the document *Loss or Compromise of CM/ECF Password*.
- Click on [*Login*] to continue. The CM/ECF screen with the available CM/ECF system options appears on the screen. (**Note:** If you incorrectly entered data, then click on the [*Clear*] button to clear the information from the screen.)
- Congratulations! You have accessed the Court's Live Database. Be careful when working in this database because you are working with live data. **Note:** An attorney's login and password is the same as the attorney's signature. Any document filed with the Court under the attorney's login and password is treated as though the attorney signed and filed that document with the Court.

Case Management (CM) Portion of the Case Management/Electronic Case Files (CM/ECF) System

The following sections of the User's Manual outline the Case Management (CM) portion of the CM/ECF system.

Section VII - Query Options

Section VIII - Reports Options

Section IX - Utilities Options

Although the steps involved to query cases, view docket entries, run case-related reports, view mailing information for a case and verify documents were covered during the roll-out of the Case Management (CM) portion of the system, the steps themselves (without the screen illustrations) are included again here in the ECF User's Manual to serve as a refresher on the query-only functions of the CM/ECF system.

VII. Query Options

The Query feature in CM/ECF allows users to query attorneys assigned to a case, deadlines/hearings, docket, filers, party, related transactions and status of cases. The below table lists the available options and provides a brief description of the query options.

Query Option	Description
Alias	Lists parties in a case who may have aliases
Associated Cases	Lists any case listed by the filer as being associated with the case number a user inputs into the system. This may not be an exhaustive list since it reflects only the filer's information.
Attorney	Lists the attorneys assigned to a case.
Deadlines/Hearings	Queries the deadlines/hearings and schedules by: document number, deadline/hearing, filed status, and satisfied or terminated status.
Docket Report	Queries the docket sheet for cases by: <i>filed date</i> (documents in the order in which they were filed); <i>entered date</i> (documents in the order in which they were entered into the system); <i>date range</i> and <i>document range</i> .
Filers	Lists the filers relevant to a case.
Party	Provides the names of the parties involved in the case along with their address and telephone numbers.
Related Transactions	Queries for any/all related transactions in a case. Queries by date, document type, and pending or terminated status. Allows users to sort transactions by date filed or entered as well as by document number.
Status	Queries the status of the case within the Court, e.g., whether a case is on the reserve calendar, etc.

Of all the available query options, the most comprehensive is the docket report. We will query for and run a docket report in the next section when we look at the reports feature. In this section, we will review how to query the CM/ECF system.

VII. Query Options (continued)

1. Click on *Query* from the menu bar.
2. Perform your Query one of the following ways:

United States Court of International Trade
Office of the Clerk
Administrative Policies and Procedures

Guidelines for: **Bulky Document Standard**

Purpose:

The purpose of these guidelines is to define the procedures for administering the Bulky Document Standard (BDS). The BDS is intended to limit the size of an electronically filed document on the Court's CM/ECF System. A document filed on the Court's CM/ECF System shall be no larger than 2 Megabytes (MB) in size, except as noted in these guidelines.

Responsibilities:

It shall be the responsibility of a filer to follow the procedures of the BDS and to strictly monitor the size of each document filed in electronic form with the Court.

Procedures:

1. Any document (including exhibits or attachments) that falls at or below the 2MB limit is to be filed electronically as a single file/document in the CM/ECF System in accordance with Administrative Order 02-01 and these guidelines. Normal upload procedures shall be followed, and no paper filing shall be required.
2. Certain documents (including exhibits or attachments) are recognized as core to an action, and therefore are exempted from the BDS. These documents are:
 - A. Summons;
 - B. Complaint;
 - C. Answer to Complaint; and
 - D. Briefs (opening, response, reply) in the following:
 - Motion for Summary Judgment;
 - Motion for Judgment on Pleadings;
 - Motion for Judgment on the Agency Record (1581©));
 - Motion for Judgment on the Agency Record (all other Jurisdictions); and
 - Motion to Dismiss.
3. A document that exceeds the BDS and is on the list of exemptions set forth in point 2 shall be filed as follows:

United States Court of International Trade
Office of the Clerk
Administrative Policies and Procedures

Guidelines for: **Bulky Document Standard** (continued)

- A. A document that exceeds the 2MB limit shall be broken up into logical divisions, with each division not exceeding the 2MB limit. The first part of the document shall be attached to the applicable docket entry as the main document. Each additional section of the document shall be appended to the main document as an attachment and contain a description of that attachment (e.g., main document - Part 2, etc).

Example: Assume a motion is filed and exceeds the 2MB limit. Under those circumstances, the motion shall be divided into logical divisions, each under the 2MB limit and named accordingly - Motion pages 1 thru 5 and Motions pages 6 through 10. The first division shall be entered as the main document and the remaining divisions shall be added as attachments to the main document.

- B. Exhibits or attachments that exceed the 2MB limit shall be logically divided, with a description of the divisions. No exhibit or attachment shall exceed the 2MB limit.

Example: Assume a motion that falls below the 2MB limit is filed with three exhibits. The exhibits shall be treated as individual attachments and each should be filed separately, if under the 2MB limit, and labeled accordingly, Exhibit 1 (with a brief description), Exhibit 2, and Exhibit 3. If any exhibit exceeds the 2MB limit, then it shall be divided logically and labeled accordingly (e.g. Exhibit 1 - Part 1, Exhibit 1 - Part 2).

4. A document (including exhibits or attachments), which exceeds the BDS and is not listed in the exemptions set forth in point 2, shall adhere to the Court's Rules for the manual filing of documents, with the exception that the document must be accompanied by a *Notice of Manual Filing* (CM/ECF Form 10) (See Attachment 1).

Guidelines for: **CM/ECF Registration (Attorney)**

Purpose:

The purpose of these guidelines is to set forth the registration process for attorney users of the CM/ECF System.

Responsibilities:

All registration requests or changes are routed through the Admissions Clerk in the Financial and Property Management Section (Admissions Clerk). All data is kept on file in hard copy and electronically within the Attorney Database program. The Admissions Clerk will serve as the primary contact for verifying an attorney's registration information for the CM/ECF System. The Technology Development and Support Services Section (TDSS) will create and manage the electronic accounts and passwords for registering attorneys in the CM/ECF System.

Procedures for Registration:

1. The attorney completes a CM/ECF Registration Form (CM/ECF Form No. 1) (See Attachment 1), which is located on the Court's Website. The attorney is required to mail the completed form to the Admissions Clerk.
2. The Admissions Clerk receives the CM/ECF Registration Form and verifies that the attorney is on the Court's Active Admission to Practice Roster.
 - A. If the attorney is on the Court's Active Admission to Practice Roster, and his/her information is current, the Admissions Clerk will sign off on the Registration Form and forward it to TDSS for further processing.
 - B. If the attorney is not on the Court's Active Admissions to Practice Roster, the Admissions Clerk sends the Registration Form to TDSS for processing as a non-attorney in accordance with the CM/ECF Registration (Non-Attorney) Guidelines.

United States Court of International Trade
Office of the Clerk
Administrative Policies and Procedures

Guidelines for: **CM/ECF Registration (Attorney)**(continued)

3. Upon receipt of the approved Registration Form, TDSS will scan the Live Database of the CM/ECF System to determine whether the attorney appears in the Live Database as counsel of record at a firm other than the one listed on the Registration Form.
4. If there is a discrepancy, the attorney is notified of that fact (CM/ECF Form No. 2) (See Attachment 2) and the registration process is suspended until the discrepancy is resolved. Once the discrepancy is resolved, the registration process continues.
5. Where there is no discrepancy in the Live Database or once the discrepancy is resolved, TDSS will input all pertinent information and will assign a login and password to the attorney.
6. TDSS will send the attorney's login, password, and other pertinent information, via memorandum, to the Admissions Clerk (CM/ECF Form No. 3) (See Attachment 3).
7. The Admissions Clerk enters the necessary information sent by TDSS into the Attorney Database.
8. The Admissions Clerk generates a form memorandum containing the relevant information and mails it to the attorney (CM/ECF Form No. 5) (See Attachment 4).

Guidelines for: **Declaration that Party was Unable to File in a Timely Manner Due to Technical Difficulties**

Purpose:

The purpose of these guidelines is to provide a procedure for a party to use when, despite the party's best efforts, filing in a timely manner was not completed due to technical difficulties with the Court's end of the CM/ECF System and not a technical failure with the filer's equipment or Internet connection to the System.

Responsibilities:

TDSS will determine if the CM/ECF System was unavailable and the length of time that the System was down. The Intake Unit of the Case Management Section shall be responsible for all incoming filings.

Procedures:

1. When a document cannot be filed electronically, the party should print (if possible) a copy of the error message received and complete a "Declaration that Party was Unable to File in a Timely Manner Due to Technical Difficulties." (CM/ECF Form No. 11) (See Attachment 1).
2. If a party is unable to file electronically, and, as a result, misses a filing deadline, the party shall contact the CM/ECF Help Desk at 866-450-1859 to inform the Clerk's Office of the difficulty. Additionally, the party shall submit the untimely filed document in paper form, accompanied by a declaration, CM/ECF Form No. 11 (See Attachment 1) stating the reason(s) for missing the deadline. The document and declaration shall be filed by hand or overnight courier no later than 12:00 noon of the first day on which the Court is open for business following the original filing deadline.

for CM/ECF Data Entry**

Purpose:

The purpose of this list is to provide consistency and uniformity for data entries made into the CM/ECF System. This list is available to Court personnel, and registered users of the CM/ECF System. Responsibilities:

The Standardization of Abbreviations and Punctuation (SAP) Subcommittee researched and produced a recommended list of commonly used abbreviations. It was submitted to the CM/ECF Staff Committee for approval. The SAP Subcommittee will maintain, revise and distribute the list to Clerk of the Court, Operations Manager, Case Management Supervisor and to the Training Specialist (for insertion into the User's Manuals). This list also will be provided to the Webmaster for posting on the Court's Website.

Procedures:

1. The SAP Subcommittee will review the Frequently Used Abbreviation List (See Attachment 1) in October on an annual basis. New updates will be published in the User's Manual, as well as on the Court's Website.
2. The Operations Manager or Case Management Supervisor will distribute updated lists to all relevant personnel in the Clerk's Office, Chambers, Webmaster, and the Training Specialist.
